Date: November 15, 2004
Expiration Date: 6/30/05

TO: WORKFORCE DEVELOPMENT COMMUNITY

SUBJECT: GRANT FUNDING OPPORTUNITY WEB PAGE

The purpose of this bulletin is to inform you of a new Grant Funding Opportunity Web page on the Workforce Development Community Web site. The Grant Funding Opportunity page is an effort to assist the workforce community by providing links to some Web sites with current or on-going funding opportunities and other resources, such as *A Guide to the Competitive Grant Process* issued by the Department of Labor. For the most part, this Web page will replace future information bulletins announcing grant opportunities. On occasion, however, we may also send out information bulletins to highlight particularly significant grant opportunities. In addition, we will send e-mail notifications that alert our subscribers when we post new grant opportunities to the Web page. The Web page is not an all-inclusive listing but is provided as a source of information and will be updated as we become aware of current grant opportunities that may benefit the workforce community. Please check this Web page regularly for new opportunities.

This Web page is provided solely as a service and does not constitute an endorsement of the organizations, or of the information provided on their sites. However, we encourage Local Workforce Investment Boards, One-Stop operators, other One-Stop partner agencies, and interested parties, to consider how these grant opportunities may benefit your Local Workforce Investment Area.

To receive automatic e-mail notifications from the Workforce Investment Division about grant opportunities and other employment and training programs and services, subscribe to our e-mail listing (EDDWDEMAIL) at www.edd.ca.gov/listmain.htm.

If you have any questions, please contact Georganne Pintar Baldwin, Local Policy Guidance Unit Manager, at (916) 654-7611.
